e3light Two (2) Year Limited Warranty
(USA and Canada Only)

WHAT IS COVERED BY THIS WARRANTY
e3light Inc. ("e3light") warrants to the original end-user purchaser that its hardware products will be free from defects in materials and workmanship under normal use for a period of TWO (2) YEARS from the date of retail purchase by the original end-user purchaser, with the exceptions, exclusions and limitations stated in this Limited Warranty.

E3light's limited warranty to the original end-user purchaser applies only to hardware products manufactured by, for or on behalf of e3light or e3light Group A/S or their affiliates. E3LIGHT'S WARRANTY TO THE ORIGINAL END-USER PURCHASER IS LIMITED TO ITS HARDWARE PRODUCTS PURCHASED AND USED IN THE FIFTY (50) UNITED STATES, THE DISTRICT OF COLUMBIA AND THE COMMONWEALTH OF PUERTO RICO OR IN CANADA. e3light's limited warranty covers only those defects that arise as a result of normal use of the product in an environment as specified in the accompanying instructions, and does not cover any other problems or defects, including, but not limited to, those that arise as a result of (a) improper use, improper maintenance, improper installation, modification, tampering or alteration; (b) operation outside the product specifications, including specifications regarding power surges; (c) any failure defect arising from the presence of a third party product or component; (d) unauthorized modifications; (e) misuse or abuse; (f) normal wear and tear, cosmetic damages or fading or discoloration caused by exposure to sunlight or chemicals; (g) damages or defects to consumable parts, such as batteries; (h) accidents, flood, fire, earthquake or other acts of God; or (i) if the e3light serial number has been removed or defaced.

WHAT E3LIGHT WILL DO
If e3light receives, during the applicable warranty period, a valid notice of a defect in any product which is covered by e3light's warranty, e3light will, at e3light's option, within a reasonable time after being notified of the defect (a) repair the defect at no charge, using new or refurbished replacement parts or (b) replace the product. All replaced faulty parts and components will become the property of e3light. e3light shall have no obligation to repair or replace until the customer returns the defective product to the reseller of purchase. Any replacement product may be either new or like-new, provided that it has functionalities at least equal to that of the product being replaced.
